---

## IMPORTANT DETAILS ABOUT PRICING & TURNAROUND TIME

All items in the pricing guide above **DO NOT** include:

- Tax and shipping cost, postage, sealing and mailing of suite, physical samples of the project under contract and extra rounds of revision outside the 3 rounds that are included with purchase

All orders are subject to NJ Sales Tax of 6.625%.

All orders are put on the schedule once full payment and signed contract are received.

- Design phase only begins after all details are sent to me.
- Production phase only begins after all proofs are approved. Digital Printing takes about 2 weeks for production. Add an additional week for Guest and Return Address printing.
- Multiple rounds of revisions or client neglect to remain on schedule will increase the overall timeline and may result in a delayed process and completion date.

## PROCESS AND SHIPPING

After you place your order, I'll email you a questionnaire form to gather the details I need in order to begin the design process. You'll receive a design proof for you to review and approve via email. Three rounds of revisions are included—additional rounds are \$40 each and will be invoiced separately.

I use USPS Priority Mail (2–3 day) or USPS Priority Mail Express (1 day) shipping with all of my orders and will be invoiced separately. Alternatively, you can pick up your items at my home office in New Jersey. I'll coordinate a pick-up time with you via email. Please note Jasmine's Design Studio LLC is not liable for any delayed, missing, damaged, or stolen items.

## REFUNDS AND/OR CANCELLATIONS

Refunds and cancellations are contingent on the amount of work completed.

- **Full 100% refund:** Available if the order is canceled before you submit your event details.
- **50% refund:** Available if the order is canceled after the design work is completed but before the printing phase begins.
- **No refund:** Due to the custom nature once the order has been sent to print, cancellations aren't eligible for a refund. Jasmine's Design Studio isn't responsible for any errors (spelling, color, etc.) that were approved during the proofing process.

**Any redesign, reprint and shipping to fix such errors will be to the cost of the Client and not Jasmine's Design Studio LLC.**

## CLIENT RESPONSIBILITIES

The client is responsible for reviewing design/print proofs prior to final approval.

- All spelling, layout, grammar, website URLs, phone numbers, addresses, etc must be reviewed and proofed for errors.
- Once you give your final print approval, any items that need to be reprinted due to errors will be invoiced separately

The client understands that due to inconsistencies in monitors, digital photography and production variations, it is not guaranteed that the color client sees on their screen accurately portrays the true color of the product. The finished product may be slightly different than it appears in the preview. Depending on the product a physical proof or color swatches can be provided (contact for pricing and availability).
